

Membership Responsibilities

Your membership covers you, your spouse and your children under 18 years of age only. Your children over 18 are legally responsible for themselves and they must fill out a guest pass or buy their own membership.

Children cannot be at the club by themselves or allowed to run freely. Your children must stay with you for their safety. Teenagers cannot be at the club by themselves unless they are 18 and a member.

You cannot let someone else use your key card to enter the club property.

Each membership is allowed (2) two guests per visit.

Each guest that you bring to the club must fill out a guest pass/waiver BEFORE SHOOTING or FISHING! These are located at the clubhouse. If the clubhouse is closed, you will find guest passes outside the front door in the glass display cabinet. You will also find envelopes in which to place the guest pass and the \$5 guest pass fee.

Everyone MUST pay \$5 per box of shot shells shot on Sporting Clays! (Clay birds are a big expense for the club!)

Only FOUR catfish per membership per day. A guest's catch counts towards your limit! (Fish are a big expense for the club)

Everyone is responsible for their own trash! You must leave with whatever you bring to the club. Do not bring trash to the club to throw away in the dumpster.
